"Holding true to our traditional values, we will provide transportation professionals, shippers and suppliers a forum to foster relationships and share ideas and solutions while raising funds to support our membership and communities."

The Los Angeles Transportation Club was incorporated in 1924 as a non-profit corporation dedicated to generating positive change and promoting the contributions the industry offers on behalf of global commerce. Its number one priority is providing excellent value to its members and the community at large.

Benefits of Student Membership:

- **Networking with trade professionals and potential employers!**
- **Scholarships**
