

LATC TRANSPORTER

From The Desk of The President.

Dear LATC Members,

August proved to be another busy and successful month at the Los Angeles Transportation Club, following our participation in the clean up of the Bolsa Chica Conservatory in Huntington Beach. I would like to extend my sincerest gratitude to those people who generously contributed their time and effort to this very worthy cause.

Looking forward, preparations are well under way for our Executive Speaker Series Luncheon featuring Mr. Jim Hertwig, President of CSX Intermodal on the 15th of September at the Monterey Hill Restaurant & Banquet Center.

On Friday, September 18th we turn our focus towards our largest event of the year - the Annual Transportation Night at Knott's Berry Farm. If you have never participated in this always highly attended event, you are missing out. The park is closed to the general public providing you the unique opportunity to bring your family, enjoying the park with your fellow colleagues with the added benefit of no lines! Tickets are still available for sale online at www.latc.la.

As a friendly reminder, our complete and up to date calendar for all upcoming events can also be found on the Calendar of Events page or the LATC website.

Your Board of Directors & Advisors has been hard at work to expand our program offerings, dedicated towards bringing value to our membership, industry and communities. With this in mind, your feedback is critical to the success of this organization. Please do not hesitate to contact us if we can ever be of service or if you have suggestions as to how we can improve!

Robert G. Thornburgh

Sincerely,

Robert G. Thornburgh

Charity Doing

At the LATC this year we have repeatedly mentioned our pride in the clubs' very important philanthropic efforts, which have included scholarships, educational sponsorships, endowments and support along with monetary donations to various charities. In the past we have also on occasion sponsored direct action, or what I like to call charity doing events, where the LATC takes on a project, publicizes it to the membership and works together to bring out as large of a group as possible of supporting members, associates, friends and family in order to provide the hands on help needed for important causes, such as Habitat for Humanity.

A big and well-deserved thank you goes out to first year LATC Director Katrina Gunderson for her coordination of our recent robust LATC show of support and turnout for the First Annual LATC Environmental Cleanup Day at the Bolsa Chica Conservancy on SAT August 29th. Look for pictures at www.latc.la and to follow in next months Transporter, check out www.bolsachica.org for more info, and if you could not make it then be sure to ask someone who did as much fun and friendship was shared by the many who cleaned up the very special Bolsa Chica wetlands.

Particularly in these times of tight budgets, increasing unemployment and reduced disposable incomes the idea of Charity Doing has been very popular within our Board as we seek even more ways to give back to shared communities and causes. For myself who recently experienced some unanticipated 'extra' time on my hands, these types of efforts took on an even greater significance as I had the opportunity to learn more about various organizations while also receiving an increased appreciation for the circumstances and significant challenges of others.

In addition, here is my own latest personal Top 10 List in no particular order of some of the many other worthy and important non-political organizations and causes to consider for your own support, financial or otherwise:

A Better L.A. – www.abetterla.org

The Handicap Scuba Association – www.hsacuba.com

A Foundation For Kids – www.foundationforkids.org

Disabled Veterans Scuba Project – www.disabledveteransscubaproject.com

Wounded Warrior Project – www.woundedwarrior.org

Operation Iraqi Children – www.operationiraqichildren.org

The Alzheimer's Association – www.alz.org

The Challenges Foundation – www.challengesfoundation.org

The Surfrider Foundation – www.surfrider.org

American Red Cross of Greater Los Angeles – www.redcrossla.org

Thanks again to Katrina and all who turned out to clean up Bolsa Chica and everyone please stay tuned to your monthly Transporter and www.latc.la for updates and opportunities to further support upcoming LATC sponsored Charity Doing events. Also please do not hesitate to send us your own ideas for future efforts and volunteer to be part of our Charity Doing Coordinating Committee.
